PARTNER PROGRAM

WattChop

CLOSE THE DEAL. GET PAID.

NOT A REFERRAL FEE

Put WattChop on a project, close it, and earn a share of the service for the full contract term.

YOUR SHARE

WATTCHOP DRIVE

20% of the service fee in year one

10% every year after, for the full term

FLIGHT RECORDER

10% of Flight Recorder SLA fees, every year, or of the 10-year prepaid fee

HOW IT WORKS

01
FIND IT
Any battery project, any size

→

02
QUOTE IT
From the public price sheet, on the spot

→

03
CLOSE IT
Signed service agreement and first invoice paid

→

04
GET PAID
For as long as the contract runs

WHAT ONE DEAL PAYS

1,147 KWH BATTERY	YEAR ONE	EACH YEAR AFTER	10 YEARS
Drive · $10,029 / yr	$2,006	$1,003	**$11,032**
Flight Recorder · $10,000 prepaid	$1,000	–	**$1,000**

Annual contracts, before the 2.75% renewal escalation. Rounded to the dollar. On prepaid terms, commission is paid up front when we are paid. One commission per site, to the originator.

WHO IT'S FOR
Battery distributors and independent sales reps. One deal for everyone, at every project size.

WHAT YOU CLOSE WITH
The public price sheet and worked examples, so you can quote on the spot.
